USE THE POLK DIRECTORY FOR PRODUCTIVE SALES LEADS!

**If you think
your business is so good
you don't have to advertise
. . . you could be in trouble.**

**PROPERLY USED, YOUR POLK DIRECTORY
IS ONE OF THE BEST SELLING TOOLS**

Out of Sight--Out of Mind

☆ Out of Business ☆

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The Polk Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages.

STREET DIRECTORY of HOUSEHOLDERS and BUSINESSES

The Street Directory information is secured by an actual door to door canvass and includes these important features:

Street Name and Address

Occupants

Home Owners

Telephone Numbers

New Householder This Edition

Apartment Residents

Office Building Occupants

Types of Business or Profession

Street Descriptions

Zip Codes

Street Intersections

Addresses showing No Return indicate that after repeated efforts the publisher was unable to obtain information.
